Gentlemen:-

We are sending today the balance of the Chinese Porcelains, etc. belonging to Suval and Voron, Inc.

For your information, the above porcelains were collected by our Mr. Voron during a period of not less than twenty-five years, and you will find every item not only authentic as far as the period represented, but also of very good quality. It is needless for us to praise Mr. Voron's ability, for, as you well know, he is considered to be one of the foremost living authorities on Chinese porcelains.

We might add that the sale of the Chinese porcelains will in no way affect the continuance of the business of Philip Suval, Inc.

Yours very truly,
